Praise the Lord Rev. Earl Ridgell,

On behalf of the L.O.V.E (Living Obediently Via Evangelism) Ministry of the First Charity Baptist Church, I would like to extend my thanks and gratitude to you for allowing God to use your gift to be a blessing to our guests and congregation.

We were truly blessed and had no idea that the ministry of arts could affect the lives of so many so powerfully. Many members to this day, still speak of the touching, breath-taking, and life-changing service, that your ministry allowed them to experience.

We pray that God will continue to open the windows and doors of opportunity for others to share and behold the love of God through your gift and ministry.

May God bless you beyond measure as you continue your journey to fulfill His mission and His will for your life

Lovingly Submitted,

*JT Thornton*
